A BRIEF BIOGRAPHY

Hatem Ibrahim is a Professor at the Department of Architecture and Urban Planning- Qatar University.

He is a scholar and expert in the field of architectural design process and simulation, Urban and Regional Planning, with a particular focus on urban informatics, housing studies, regeneration strategies, and architectural identity. With extensive research experience, his work revolves around the intricate connections between architecture, urban development, and various aspects of city life. His recent research is the exploration of urban growth globalization, social equity, and sustainability in emerging metropolises. He explores the complexities of urban dynamics, recognizing the unique opportunities and challenges that arise from rapid urbanization and industrialization. By investigating these multifaceted processes, he seeks to uncover strategies and approaches that promote inclusive and sustainable architecture in urban development. He contributes to the understanding and improvement of urban environments, addressing pressing issues related to housing, regeneration, and architectural identity by merging theory and practice.

He has published numerous articles in reputable journals, presented his work at international conferences, and actively participated in collaborative research projects. He has attracted Research Grant funds and delivered research projects totaling more than US\$1.8 Million. In addition, he has served as a keynote speaker and technical program committee of many international conferences. Also, he is an Editorial Board member in many International Journals include Journal of Engineering Research (JER)- Kuwait University, International Journal on Engineering Research and Empirical Studies –Wiley Publishing, International Journal of Environmental Sciences and Sustainable Development- Elsevier. He is a member of many educational and research organizations and has served in national and international academic and research institutions.

In addition to his expertise in effectively delivering undergraduate teaching, he brings a wealth of experience to his role in supervising and guiding PhD and master's students. He has taken on responsibilities as both an internal and external examiner for a diverse array of graduate students. This experience has equipped him with valuable insights into the scholarly process, ensuring his ability to provide comprehensive support and insightful evaluation to students at various stages of their academic journey.

He is a member of numbers of international scientific and educational organizations and served in many academic and research institutions in the UK

(University of Liverpool), the US (California Polytechnic State-CalPoly), Saudi Arabia (King Saud University), Egypt (Helwan University) and others. He has been the recipient of several prestigious awards, including the "Outstanding Research Award" from Qatar National Research Fund for his Undergraduate Research Experience Program funded project, and the golden medal and first prize from King Saud University for his academic achievement.

ACADEMIC QUALIFICATIONS

- Ph.D. Architecture Engineering, School of Architecture and Building Engineering, University of Liverpool, United Kingdom.
- M.Phil. Architecture Engineering, School of Architecture and Building Engineering, University of Liverpool, United Kingdom.
- M. Sc. Architecture Engineering, Assiut University, Assiut, Egypt.
- B.Sc. Architecture Engineering, Assiut University, Assiut, Egypt.

AWARDS AND DISTINCTIONS

- Outstanding Research Project award, Qatar National Research Fund- QNRF, Qatar Foundation, March 2014
- The best paper (Sustainable Building and Construction Conference 2013- SB13, 3-5 July 2013, PP. 70-79, Coventry University) for Innovative Sustainable Technology sponsored by ICON and Coventry University- Coventry- UK
- The Golden Medal and 1st Academic Prize, King Saud University, Riyadh, Saudi Arabia, January 2008
- Scholarship, California Polytechnic State University- California-USA, September 1999
- Scholarship, Ministry of Higher Education, July 1998

ACADEMIC POSITIONS

- Professor, Department of Architecture and Urban Planning, Qatar University, 2022- Present
- Associate Professor, Department of Architecture and Urban Planning, Qatar University, 2008- 2022
- Professor (on leave), Helwan University, College of Engineering, Department of Architecture, 2014
- Associate Professor, King Saud University, Faculty of Architecture and Planning, Department of Architecture and Building Sciences, 2007-2008
- Associate Professor (on leave), Helwan University, College of Engineering, Department of Architecture, 2006- 2014

- Assistant Professor, King Saud University, Faculty of Architecture and Planning, Department of Architecture and Building Sciences, 2005-2007
- Assistant Professor, Helwan University, College of Engineering, Department of Architecture, 2001- 2005

TEACHING EXPERIENCE

The following courses have been taught in undergraduate and postgraduate levels.

2010- Present Qatar University, College of Engineering, Department of Architecture and Urban Planning

- PhD Thesis-DENG and PHAP (Postgraduate)
- Thesis focuses on Urban Design- MUPD760 (Postgraduate)
- Sustainable Urban & Landscape Design- MUPD 710 (Postgraduate)
- Urban Economics- MUPD 611 (Postgraduate)
- Senior Project- ARCT 512
- Senior Project Preparation and Programming- ARCT 511
- Architectural Design Studio III- ARCT 310
- Architectural Design Studio IV- ARCT 311
- Environmental Control System I- Acoustics and Lighting- ARCT 331
- Material and Methods of Building Construction II- ARCT 342
- Material and Methods of Building Construction I- ARCT 230
- Graphic Communication I- ARCT 110

2008- 2010 Qatar University, College of Engineering, Department of Civil and Architectural Engineering- Architecture Program

- Architectural Design Studio I- ARCH 212
- Architectural Design Studio III- ARCH 312
- Senior project I- ARCH 400
- Senior project II- ARCH 401
- Architectural Graphic I-Manual Representation- ARCH 111
- Sanitary Installation- ARCH 323
- Computer Aided Architectural Acoustics and Lighting Design- ARCH 332.

2005- 2008 Department of Architecture and Building Sciences, Faculty of Architecture and Planning, King Saud University, Riyadh- Kingdom of Saudi Arabia

- Graphic Skills- ARCH 255
- Architecture Design 2- ARCH 260
- Architecture Design 4- ARCH 360
- Graduation Project 2- ARCH 495
- Building Construction 1- ARCH 366
- Building Materials- ARCH 266
- Lighting and Acoustics- ARCH 427
- Sanitary Installation- ARCH 415

2001- 2005 Department of Architecture, Faculty of Engineering, Helwan University, Cairo- Egypt

- Postgraduate level:

- Contemporary Architecture- AR 506
- Vernacular Architecture- AR 510
- Introduction in Sustainable Development- AR 649
- Urban Design in Arid Countries- AR 637

- Undergraduate level:

- Building Construction I- AR 3133
- Building Construction II- AR 3212
- Environmental Control- AR 3224
- Working Drawing I- AR 3332
- Working Drawing II- AR 3412
- Basic Design- AR 3114
- Architecture Design I- AR 3131
- Architecture Design II- AR 3231
- Architecture Design III- AR 3331
- Graduation Project- AR 3437
- Acoustics and Lighting in Architecture- AR 538

2002- 2004 Department of Architecture, Higher Technological Institute, 10th of Ramadan City-Cairo Egypt

- Architectural Design of Complex Unit (ARE 107)
- Architectural Design (ARE115)
- Building Material
- Graduation Project Programming (ARE111)

2003- 2004 Department of Architecture, Integrated Thebes Academy for Science, Higher Engineering Institute-Cairo-Egypt

- Basic Design and Architecture Drawing- ARC 104
- Architecture Design II- ARC 202
- Architecture Design II- ARC 202
- Architecture Design III- ARC 207
- Landscape Architecture- AR 404
- Building Construction I- ARC 103

THESES SUPERVISION AND EXAMINATION

- Saleh Ragab, (PhD Thesis, Hamad bin Khalifa University- HBKU)- Co- Supervisor- Ongoing.
- Elshaimaa Elekteyar, Investigating Subdivided Housing in Doha, Qatar- (MSc. Thesis, Department of Architecture and Urban Planning)- Main Supervisor- Completed.
- Nada Alladin, Toward Creative Cities: Assessing the Culturally Emerging Creative Doha City- Qatar - (MSc. Thesis, Department of Architecture and Urban Planning)- Main Supervisor- Completed.
- Somaya Abu-Jalala, Net Zero Energy District NZED: A Strategy Towards Achieving Sustainable Urban Development in Qatar- (MSc. Thesis, Department of Architecture and Urban Planning)- Main Supervisor- Completed.
- Ebtahal Galal, Multi-Purpose theater design principles and aspect of composition, (PhD. Thesis, Faculty of Engineering, department of Architecture- Helwan University- Cairo, Egypt)- Main Supervisor- Completed.
- Al-Maha Al-Malki, Investigating livability of mixed-use neighborhood: Case study of Najma in Doha, Qatar- (MSc. Thesis, Qatar University)- Thesis Examination Member.
- Lolwa Al Khater, The souk and society in Qatar: Cohabiting heritage- (MSc. Thesis, Faculty of Islamic Study- Qatar)- Thesis Examination Member.

- Saleh Ragab, Place attachment of contemporary and modern districts: The cases of Abbasiya, Khedive's Cairo, Maadi and Heliopolis in Cairo- (MSc. Thesis, Faculty of Islamic Study- Qatar)- Thesis Examination Member.
- Sara Zaina, the assessment of microclimatic conditions, user psychological adaptation and physical aspects of the space: Enhancing spatial quality of outdoor public space- (MSc. Thesis, Qatar University)- Thesis Examination Member.
- Rana Al Amawi, Urban design strategies for intervention of constructed wetlands in semi-arid zones: An application on the case of Abu Nakhla wetlands in Doha, Qatar- (MSc. Thesis, Qatar University)- Thesis Examination Member.
- Ahood Al-Maimani, Socio-spatial study of traditional Souq in the Arabian Peninsula, the decline of traditional Souqs: The case of Souq Mutrah, Muscat, Oman- (MSc. Thesis, Qatar University)- Thesis Examination Member.
- Bothayna Abbara, An investigation into the characteristics of public open spaces in Doha- (MSc. Thesis)- Thesis Examination Member- November 2012
- Ahmed Alkharraz, Facility location and layout: A Case from a Major Oil and Gas Company in Qatar (MSc. Thesis, Qatar University)- Thesis Examination Chair.

SCHOLARLY, PROFESSIONAL ACADEMIC ACTIVITIES AND SERVICE

- Chair of Promotion Committee- Department of Architecture and Urban Planning- College of Engineering- Qatar University, 2010- present.
- NAAB Quality & Delivery Committee- Department of Architecture and Urban Planning- College of Engineering- Qatar University, 2023- Present.
- Chair of Curriculum Assessment Committee- Department of Architecture and Urban Planning- Academic Planning and Quality Assurance (APQA) Office- Qatar University, 2012- Present.
- Chair of students' work documentation committee- Department of Architecture and Urban Planning, College of Engineering, Qatar University- Organizing the exhibition, 2010- Present.
- Member in College Postgraduate Examination Board- Department of Architecture and Urban Planning- College of Engineering- Qatar University, 2010- present.
- NAAB Coordinator- Department of Architecture and Urban Planning- College of Engineering- Qatar University, 2016- 2023.
- Coordinator of B.Arch. Program- Department of Architecture and Urban Planning- College of Engineering- Qatar University, 2019-2023.
- Chair of Course Evaluation Committee- Department of Architecture and Urban Planning- College of Engineering- Qatar University, 2016- 2022.
- Chair of Research Committee- Department of Architecture and Urban Planning- College of Engineering- Qatar University, 2012- 2021.
- Member of Quality Assurance Committee- Department of Architecture and Urban Planning- College of Engineering- Qatar University, 2012-2018.
- Member of Architecture Program Aptitude Test Committee- Department of Architecture and Urban Planning-Qatar University- lead representative, 2009-2017.
- Member of Learning Support Center- Department of Architecture and Urban Planning-Qatar University, 2009-2014.

- Member of Online Publication Committee- Department of Architecture and Urban Planning-Qatar University- 2009- 2014.
- Member of 2nd QU Senate Committee, Qatar University- Serving in an advisory capacity to the Vice President and Chief Academic Officer on matters related to academic programs, faculty related issues, and academic quality, one cycle, 2009-2013.
- Chair of Permanent and Annual Exhibition- Department of Architecture and Urban Planning, College of Engineering, Qatar University, 2008- 2015
- Member of Recruitment Committee, Department of Architecture and Urban Planning, Faculty of Engineering, Qatar University, 2008-2009
- Member of Laboratory Committee, Department of Architecture and Urban Planning, Faculty of Engineering, Qatar University, 2008-2010
- Member of committee of the Academic Accreditation for Department of Architecture and Building Sciences, College of Architecture and Planning, kingdom of Saudi Arabia, 2007-2008
- Member of committee of the strategy plan for Department of Architecture and Building Sciences, College of Architecture and Planning, kingdom of Saudi Arabia, 2006- 2008
- Member of committee for development and preparing the new curriculum plan in Department of Architecture and Building Sciences, College of Architecture and Planning, kingdom of Saudi Arabia, 2007- 2008
- Coordinator of committee for Building Spaces Utilization, Department of Architecture and Building Sciences, College of Architecture and Planning, kingdom of Saudi Arabia, 2007- 2008
- Member of committee for development Basic Design and Visual Communication courses in Department of Architecture and Building Sciences, College of Architecture and Planning, kingdom of Saudi Arabia, 2005- 2008
- Member of examination committee (Aptitude test), College of Architecture and Planning, King Saud University, 2005- 2008
- Member of committee of examination of graduation project in Department of Architecture and Building Sciences, College of Architecture and Planning, kingdom of Saudi Arabia, 2005- 2008
- Member of committee of building Acoustics and Environment laboratory in Department of Architecture and Building Sciences, College of Architecture and Planning, kingdom of Saudi Arabia, 2007- 2008
- Member in the organization committee of Technology and Sustainability of Built-Area conference- Department of Architecture and Building Sciences, College of Architecture and Planning, kingdom of Saudi Arabia, 2007- 2008
- Member of the department council of Department of Architecture and Building Sciences, College of Architecture and Planning, kingdom of Saudi Arabia, 2005- 2008

PROFESSIONAL PRACTICE AND CONSULTANCY

- Sports and Events Complex in Qatar University, **Capital Projects Affairs-** Qatar University, Mimar Emirates Engineering Consultants, Qatar University (*Consultancy related façade design and implementation*).
- New College of Engineering Building in Qatar University- Qatar University, **Mimar Emirates Engineering Consultants**, Qatar University- (*Consultancy related to fire-rated building partitions and building envelope*).

- Technical Expert in **Court Case Summon- the Supreme Council of the Judiciary-** Doha- Qatar- Expert (*Reviewing and investigating the documents, meeting with the parties to discuss the case, assessing the level of compensation and to provide a report to the court*).
- Technical Expert in **Ministry of Municipality and Environment (MME)-** Doha- Qatar- (*Consultancy related to the assessment survey aimed at revising the criteria of EIA specially that are related to the socioeconomic and development planning*).
- Technical Expert in **Emaar Architectural Consultancy-** Riyadh, Saudi Arabia- (*Establishing the vision and goals for the project, preparing preliminary designs, working drawings, specifications and cost estimates related to the project, developing design documents to initiate and modify architectural, interior design and space planning solutions*).
- Chairman of **Expert Training Centre (EXTRAC)-**Expert at Professional Excellence for Training & Consultations- Cairo-Egypt- (*Responsible for preparing training technical programs and delivering workshops for more than 40 Ministries, Municipalities and Architectural Firms in Middle East and GCC*).
- Consultant in **Ministry of State for Scientific Research,** Academy of Scientific Research Technology- 2003- 2005 (*Delivering a technical report emphasis the Urban and architectural characteristics for Farafra and Baharya, Egypt by means of processing fieldwork study for selected settlements- Ministry of State for Scientific Research, Academy of Scientific Research Technology- first party and Department of Architecture, Helwan University- second party*).
- Consultant in **Arc Team-**Egypt- (*Construction drawings, architectural details, Architectural designs for housing projects, villas, shopping malls, and general administrative buildings, Revision of architectural designs and preparing their schedule programs and research applied to practice*).

PROFESSIONAL AND ACADEMIC MEMBERSHIPS

- Institute of Acoustics- IOA – England.

RESEACH PROJECTS/ GRANTS

- **Title:** Urban Growth of Metropolitan Doha: Machine Learning Algorithm Based Cumulative Analysis- QUST-1-CENG-2023-373.

Funding Agency: Qatar University, Graduate Assistant-GA (PhD Grant)

Fund Amount: QU Policy for GA Funded Program.

Project Duration: 4 years.

Status: Awarded in January 2024- 2028

- **Title:** Investigating Housing Typologies in Multicultural Societies of the Gulf Region.

Funding Agency: Qatar National Research Fund, National Priority Research Program (**NPRP**), 7th cycle- NPRP 7 – 960 – 5- 135

Fund Amount: 1,010,731.10 US Dollars.

Project Duration: 3.5 years.

Status: Awarded in May 2015- Completed

- **Title:** A Novel Passive Air Conditioning System

Funding Agency: Qatar National Research Fund, National Priority Research Program (**NPRP**), 4th cycle- NPRP 4 - 407 - 2 – 153

Fund Amount: 657,075.00 US Dollars.

Project Duration: 4 years.

Status: Awarded in April 2012- Completed

- **Title:** Unifying Qatari Architecture Language and Contemporary Architecture: Case Study of Doha- Qatar.

Funding Agency: Qatar National Research Fund, Undergraduate Research Experience Program (UREP), 11th cycle

Fund Amount: 30,000 US Dollars.

Project Duration: 18 months

year.

Status: Awarded in May 2012- Completed

- **Title:** Assessing School Siting: Optimize School Siting in Doha- Qatar.

Funding Agency: Qatar National Research Fund, Undergraduate Research Experience Program (UREP), 10th cycle

Fund Amount: 60,000 US Dollars.

Project Duration: one year.

Status: Awarded in July 2011

- **Title:** Green Metric for Doha Tall Buildings-A Step Toward Qatar Eco-city Advocacy.

Funding Agency: Qatar National Research Fund, Undergraduate Research Experience Program (UREP), 6th cycle

Fund Amount: 30,000 US Dollars.

Project Duration: one year.

Status: Awarded in June 2009- Completed

- **Title:** Evaluation of Teaching Methods of Basic Design Courses in Faculty of Architecture and Planning – King Saud University.

Funding Agency: Research Center of College of Architecture & planning-King Saud University.

Fund Amount: 20, 000 Saudi Riyal.

Project Duration: one year.

Status: Delivered in July 2008- Completed
