

Qatar University
College of Engineering
Department of Electrical Engineering
Rashid Alammari

Rank Associate Professor

Degrees Earned

- Ph.D. Electrical Engineering (Power Systems), University of Strathclyde, United Kingdom, May 1996
- M.S. Electrical Engineering (Power Systems), Washington State University, Pullman, WA, USA.
- BS Electrical Engineering, Qatar University, Doha, Qatar.

Administrative Experience

- Dean, College of Engineering, October 2012 to March 2016
- Vice Chair, Qatar University Faculty Senate, February 2007-Feb. 2010
- Chairman, Department of Electrical Engineering, April 2000-January 2004.
- Chairman, University Foundation Programs Unit, December 1998-December 2001.

Awards

- Qatar State Incentive Award in Electrical Engineering, 2012
- Qatar University Distinguished Researcher, 2003/2004

Conferences or Workshops Attended in the Past Five Years

1. 2013 Chicago, USA, 2014 Dubai, UAE, and 2015 Adelaide, Australia Global Engineering Deans Council
2. June 2015, ASEE, Seattle, Washington
3. June 2014, ABET Accreditation Workshop, Qatar University, Doha, Qatar
4. February 2014, Middle Manager Program Workshop, Organized by HR, Doha, Qatar
5. December 2013, Engineering Education Forum, CENG, Qatar University
6. December 2013, International Conference on Engineering Education (ICEE2013), Madinah, Saudi Arabia
7. June 2013 ASEE, Atlanta, Georgia, USA
8. February 2013, IEEE ICIT, Cape Town, South Africa

Research Awards

- MW PV Power RD&D Using SiC-based qZS Cascaded Multilevel Inverter and Battery Energy Storage (2013-2018)-NPRP X-033-2-007 (apprx. 5 Million US Dollar).
- Qatar Power System Transition to Smart Grid (2014-2017)-NPRP 6-244-2-103 (approx. 1 Million US Dollar)
- Allocation of Reactive Power Reserves in Qatar Power System (2010-2011) UREP 2-002-1-871(14,500 USD)

- Dynamic Control Approaches of Renewable Energy Sources for the Modern Smart Grid System (2015-2018)---Submitted for possible funding of a post doc PDRA scheme.
- Qatar University Digital technology engineering education centre-NPRP 8-492-2-203 (2015-2018)---Under preparation

*Membership in
Scientific and
Professional
Societies*

- IEEE Senior Member, ASEE Member, GEDC Member

*Institutional and
Professional
Services for the
Past Five Years*

Serve on many departmental, college and university committees. Participated in the Technical Advisory Board of the PowerGen,. Have been serving as a technical evaluator of research in QU, College of Applied Science, Kuwait, King Saud Univ, Saudi Arabia, Institution of Engineering and Technology (IET), UK
