

WRITING SUCCESS WORKSHOP:  
**PLAGIARISM AND  
PARAPHRASING**  
**PROBLEMS AND SOLUTIONS.**

**NOVEMBER 1<sup>ST</sup>, AND 3<sup>RD</sup> 2021 IN D211  
12.30-1.30PM**

PRESENTER: MR. STEFAN RUSYNIAK

This interactive workshop will guide you through some common problems that I see in student writing. In the first session, we will discuss things that frequently get students into trouble and how to avoid them. In the second session, we will be discussing how to properly paraphrase and cite.

The first session will also involve participation in an anonymous student survey (we will look at the results together), to help illustrate some common misconceptions around plagiarism and paraphrasing.
