

Curriculum Vita

Professor Mohammad Salehi

First name: Mohammad

Family name: Salehi

**Mathematics, Statistics and Physics Department, College of Art and Science,
Qatar University, PO Box 2713, Doha, Qatar.**

Email: Salehi@qu.edu.qa

Date of Birth: Jan. 1964

Married, Three Children.

Employment:

Professor (September 2009-). Mathematics, Statistics and Physics Department, Qatar University, Doha, Qatar.

Professor (March 2007- September 2011). Mathematical Sciences School, Isfahan University of Technology, Isfahan, Iran.

Associate Research Professor (January 2008- August 2008) Statistics Department, National Cheng Kung University, Tainan, Taiwan.

Associate Research Professor (Summer 2005) Mathematics and Statistics Department, Carleton University, Ottawa, Canada.

Associate Professor (Feb. 2003- March 2007), Mathematical Sciences School, Isfahan University of Technology, Isfahan, Iran.

Assistant Professor (May 1998_Feb 2003), Mathematical Sciences School, Isfahan University of Technology, Isfahan, Iran.

Tutor 4 (January 1995- Feb. 1998), Statistics Department, Auckland University, New Zealand.

Lecturer (Sep. 1990-July 1994) Full-time Mathematics Department, Arak University, Arak, Iran.

Assistant lecturer (1987-1989), Part-time Science Department, Shiraz Institution of Technology, Shiraz, Iran.

Academic Degrees

Ph.D. in Statistics (1994-1998), Department of Statistics, Auckland University, Auckland, New Zealand. Thesis title ‘adaptive cluster sampling designs’.

Msc. in Statistics (1988-1990), Department of Mathematics and Statistics, University of Shiraz. Thesis title “Capture-Recapture models for the estimation of the size of a closed population”. (First ranked)

B.Sc. in Statistics (1983-1987), Department of Mathematics and Statistics, University of Shiraz. (First ranked)

A two-year degree in Sport Sciences (1982-1983), Chamran Teacher Training Institute, Tehran, Iran.

Administration:

1991-1994: Director of Computer Center (IT), Arak University.

2001- 2006: Associate Dean of research, School of Mathematical Sciences, Isfahan University of Technology.

2008- 2009: Coordinator of the Center of Excellence of Algebra and its application, Isfahan University of Technology.

2006-2009: Director of Statistical Research Center, Isfahan University of Technology.

2011-2014 : Coordinator of the Statistical Consulting Unit, Qatar University.

Completed External Grants Projects:

- 1) **Project Title “Optimal Switching and economic cost control”(2013-2017)**, Qatar Foundation, NPRP 5 - 088 - 1 – 021;
Role : Lead Principle Investigator, **331,509.60USD**
- 2) **Project Title “Assessing the Effectiveness of a Pharmacist-delivered Smoking Cessation Program in the State of Qatar” (2012-2016)**. Qatar Foundation, NPRP 4 - 716 - 3 - 203; Role: Co-PI, **437,698.00USD**
- 3) Project Title “Adaptive survey designs for environmental monitoring in Qatar” (2012-2015) , Qatar Foundation, NPRP 4 - 001 - 1 – 001; Role : Co-Lead Principle Investigator. **634,313.00USD.**
- 4) Project Title “Time Series Analysis for Air Pollution and Meteorological Covariates in Doha” 2013, Qatar Foundation
Role: Principle Investigator. **8000 USD.**
- 5) Project title “Accuracy of Parental Hepatitis A Vaccination of Children.” Research Triangular Institution (USA), 2005, Role: Consultant.
- 6) Project Title “Statistical Analysis and Modeling cool rolling defective” Steel Mobarekeh Complex, 2004, It has been selected one of three innovated research done in the steel Mobarekeh complex. **(460,000,000 Rials)**, Role: PI
- 7) Project Title Case-Control study and Inverse sampling, Higher Education Ministry, Isfahan University of Technology and Sharekord university 2003, Role: LPI

- 8) Project Title “Survey and Modeling of Socio-Economic aspect of the Mobile phone In Tehran” Research Center of Telecommunication, 2000 Role: PI
- 9) Project Title “Improvement in the design of fish resource surveys” BENEFIT Institution, South Africa 2000, Role: Consultant
- 10) Project Title “Survey of Opinion poll in Foolad Mobarekeh” Foolad Mobarekeh Complex , 2000, Role: PI
- 11) Project Title “Statistical Analysis of Customers Satisfaction data” Foolad Mobarekeh Complex, 1999, Role: PI

Awards and Honors:

Georg Forster Research Fellowship of ALEXANDER VON HUMBOLDT FOUNDATION (AvH), Germany, 2008.

Two research grant from Statistical research Center of Iran, Tehran Iran. 2007-2008.
 Recipient of award of distinguished research published paper, Statistical center of Iran, 2003.
 Selected as a distinguished researcher, Isfahan University of Technology (I.U.T.), 2002

Recipient of research award from Isfahan University of Technology (I.U.T.), 2001

The best graduated student award of the Department of Mathematics and Statistics, Shiraz University (1987).

The best Talk award in Math. and Stat. At the Iranian Graduate Student Congress (1990).

An international conference Grant, Statistics Department, University of Auckland (1995).

PhD. Scholarship from the Higher Education Ministry of Iran.

Editorial Collaboration:

Associate Editor of “Journal of The Iranian Statistical Society” , Iran, 2020-

Coordinate Editor of “*Journal of Probability and Statistical Science (JPSS)*,” Taiwan, 2004-

Advisory board of “*Türkiye Klinikleri Journal of Biostatistics*”, Turkey 2012- 2015
<http://biyoistatistik.turkiyeklinikleri.com/content.php?id=NDU4>

Associate Editor of *Journal of Probability and Statistical Science (JPSS)*. 2002-2004.
<http://life.stat.fju.edu.tw/jpss>

Editorial Board: *Research Journal of Science* Isfahan University, 2005-2010

Reviewing

Reviewer for AMS, Mathematical Reviews, American Mathematical Society, 2014-

Publications

Book:

Seber GAF and Salehi M. (2013). **Adaptive Sampling Designs: Inference for Sparse and Clustered Populations**, Berlin: Springer-Verlag.

Book Translation:

Salehi and Jamalzadeh (2009) Survey Methodology (Wiley Series in Survey Methodology) by Robert M. Groves, Floyd J. Fowler, Mick P. Couper, James M. Lepkowski, Eleanor Singer, Roger Tourangeau (2004).

National Graduate Program Entrance Exam Exam (Statistics)	Member	Ministry of Higher Education of Iran	Iran	2007-2010
Education and curriculum	Member	Arak University	Department	1990-1994
IT	Chair	Arak University	University	1991-1994
Recruitment	Member	AU	Dept.	1992-1994

Teaching

Graduate courses:

Generalized linear models (PhD), Advance Sampling Theory (PhD.), Statistical Learning (Special Topic). Sampling method III, Advance Statistical methods, Mathematical Statistics, Environmental and Ecological Statistics. Linear Models, Sampling Technique. Statistical Computation and Simulation. Experimental Design and Statistical Analysis.

Undergraduate Courses:

Design of Experiment, Sampling Methods, Statistical Packages (R, SPSS, Minitab and Excel), Time Series Analysis, Demography, Simulation, Introduction to applied statistics, Statistics II, Introductory statistical methods for different disciplines (Engineering Medicine, Economics). Sampling Method I & II, Computational Statistics (SPLUS), Regression, Non-parametric Methods, Probability, and different courses in Probability and Statistics for Math. , Engineering, Economics, Biology and Medical students, Calculus, Mathematical Analysis, Operation Research,

Program Founder:

Co-Founder: A Joint PhD. program in Applied Statistics in Isfahan University of Technology and Isfahan University, (2004) It is still the only PhD. Program in Applied Statistics in Iran.

Co-Founder: Mater program in Applied Statistics in Qatar University.

Supervising Post-Graduate Students

Supervised PhD. Students

1. Moradi, M. (2009), Adaptive allocation sampling designs. (Current Position: Assistant Professor, Razi University, <https://sci.razi.ac.ir/en/~moradi.m>)
2. Mohammadi, M. (2011). Nonparametric Confidence Intervals under Adaptive Cluster Sampling (Current Position: Assistant Professor, Isfahan University, <http://sci.ui.ac.ir/m.mohammadi>)

Panahbehagh, B (2013). Auxiliary Variables in Adaptive Two-stage Sequential Sampling (Current Position: Assistant Professor, Kharazmi University <http://msc.khu.ac.ir/profs>)

Advisor PhD. Student.

1. R. Aliakbari Saba (2008) , Two-Stage Cluster Sampling with Ranked Set Sampling, Research Associate Professor, Statistical Training and Research center <http://www.srtc.ac.ir/en/Index.html>.

Supervised more than 25 MSc. Students in Statistics in Isfahan University of Technology.
